

## MEMBER SURVEY 2018

1. What is your name? (optional) \_\_\_\_\_
2. How long have you been a member of SLSA?
  - 0 - 3 years
  - 4 – 9 years
  - 10 or more years
3. Check all of the range facilities that you have used in the past 2 years:
  - Trap & Skeet Ranges;
  - Rifle Range
  - Handgun Range
  - Archery Range
  - Match Participant (Varmint, High Power, ATA, etc.)
4. How often do you use the range facilities?
  - Weekly
  - More than once a month
  - 10 – 12 times a year
  - Just a few times a year

5. Overall how do you rate your experiences at SLSA

- Extremely Satisfied
- Somewhat Satisfied
- Average Experience
- Less than Average Experience
- Poor Experience

6. Tell us how SLSA can improve your range experiences.

7. Are you a member of a committee? (YES) (NO)

If yes, What Committee

If no, why have you not joined a committee?

8. Do you think it is a good policy that SLSA asks its members to earn Service Credits during the year in order to maintain a "Full Membership"?

(YES) (NO)

If NO, state your reasons:

9. How many Service Credits did you earn in 2017?

10. What suggestions do you have to improve SLSA's "Service Credit Policy" to encourage voluntary service:

11. List any physical improvements that you feel would improve the facilities.

12. Would you or a family member be interested in SLSA sponsoring women's only shooting events (ie Trap, rifle, or handgun match)?

(YES) (NO)

13. Safety on the ranges is a predominant concern of SLSA. What suggestions do you have to help make the ranges safer for all members?

14. An ongoing goal of SLSA is to improve Noise Control and good neighborly relations. What suggestions do you have to help reduce unnecessary noise from our ranges and to foster better relations with our neighbors?

15. In the last two years SLSA has enacted new range safety procedures. These include having an RSO on the ranges during the weekends, a policy regarding Minors using the rifle and handgun ranges, limiting guests to weekends without Board approval, new range signage, new operating hours and stricter enforcement of the rules with the installation of security cameras. Do you support the new range safety procedures?

(YES) (NO)

If NO, which safety procedures do you feel are either unnecessary or not helpful?
