JUNIOR RIFLE PROGRAM

The Junior Rifle Program consists of a format based on NRA marksmanship qualification program. Junior shooters will be required to attend the JULY course for sign-ups and an introductory safety briefing. Attendance will be required at the introductory meeting for participation at future programs throughout the year. Anyone who does not attend the Introductory Program in July will not be allowed to participate until the next Introductory Program once per year after that. Because the program follows sequential instruction, advancements and achievements, shooter's skills and experience will develop from month to month, therefore participants will not be permitted to just "show up and shoot" on an occasional basis.

It will be an exciting year and we hope all interested youth will attend. If you have any questions contact Instructor Bryce Dilger at (805) 238-9881 or email bryce@santaluciasportsmen.org
