

Santa Lucia Sportsmen's Association, Inc. Est. 1932

November - December 2010

Volume 8 Issue 6

November-December 2010

The Santa Lucia Sportsmen's Association is a volunteer organization. We need and expect that members will help out their club with projects or general manpower from time to time. Every activity, project, repair, education class, grass cutting and cleanup is done by someone who gives their time to help the club. We cannot ask more of them unless we are each willing to give more ourselves. This fact may limit the number of activities that are held on a weekly basis.
