THE 'HAYMAN 100'

This was definitely a one of a kind event allowing Mulligans to reshoot a few misses, nearly 50 silent auction prizes, and a lot of fun. Notable scores were: Keith Kirkland with a 50/50, followed by Ed Blanck, Jerry Silbert and Joe Thomas in skeet. Skeet B class was topped by John Dallaire, Jim Jarvis and Ralph Edwards. Ed Blanck shot well and used his Mulligans wisely winning the combined HOA hunt/shooting package with a "slightly enhanced" 95/100. In A class for the combined scores we had Jerry Silbert, Keith Kirkland, Jim Jarvis and John Dallaire on the top. B class was lead by Steve Fiant, Dick Schenberger, Joe Kingston & Ralph Edwards. Our best "new" shooter award went to Gary Hazard, accomplished trap shooter, for his first attempt at skeet. To start out with an 18/25 and a 15/25 on your first rounds is something to be envied by those of us who took a long time to get there. The "Best Use of Mulligan's" award went to Ralph Edwards.

Bill Fredendall and Richard Liechti put in a lot of work before and after the shoot to make this come together. Thanks to all the others who worked long hours on the day of the shoot. I'm sure this is one we'll never forget. Of the nearly 50 silent auction items most of them were donated by Hogue Inc., Santa Lucia Sportsman's Assn. and Weatherby Inc. Other big donations were from Rossi Transport, Keith Kirkland and George & Barbara Melvin. Apparently Ken Casad bought 6 very lucky tickets because he won both the #3 prize of a flat of 12ga. ammo from Four Seasons Outfitters AND the #2 prize of a Stainless Steel AR-15 heavy target barrel from Citadel Manufacturing. The #1 prize of a dove hunt and 5-stand sporting clays package donated by Boaring Experiences LLC was won by Scott Sommers, who very generously wanted to donate it to Dale Higham.

Thanks again to the cooperation, support and help from the club, all the sponsors, the shooters and most of all the helpers who put in a lot of hours to make this memorable shoot come together. Kyler Hamann
