### BOARD REQUESTS

The Board of Directors is requesting that anyone wishing to present an item for the Board's consideration, please do so in writing. The Board will then have the opportunity to address the request at that time or table it for further discussion at their next Board Meeting. This includes requests for donations, purchases for the various shooting venues and anything else that goes before the Board for their approval.

The 2009 Board is also preparing Meeting Agendas to assure that items discussed and that are to be followed up on are kept on the Agenda until completed. We feel that this will insure that all items and especially those that pertain to safety issues will be taken care of and completed in a timely manner.

Please contact a Board Member if you have questions.

## Skeet News by Dale Higham

We will have a 50 target skeet competition on March 14 starting at 9:00 a.m. This will be a Lewis Class shoot so that everybody has a chance to win! The cost will be \$15 per shooter. We will also have a 50 straight option for anyone wishing to pony up an extra \$5 bucks to participate! All ties will be shot off at station 3, 4, 5 doubles. Miss and out. (Unless all winners agree to split) The reason for only a 50 target shoot is to accommodate more shooters and keep expenses down. We might have a Doubles event after if time permits. Open to all shooters from beginner to advanced! Both skeet fields are operational with one wireless remote! Sign ups start at 8:00. Call or e-mail me for pre-squad information. [hayman61@yahoo.com](mailto:hayman61@yahoo.com) 610-2202.

**Side note: The skeet range is open to members on Thursday mornings from 9:00 - 12:00. Come on out and join the fun!**

## Trap News by Butch Phillips
