Skeet News by Dale Higham

Larry Sifers taught a skeet clinic on June 6 and 7. We had 4 shooters on Saturday for an intense all day clinic. (9 hours). We covered all the stations. A lot of information. On Sunday we had 4 shooters for a 2 hour clinic that was geared for newer shooters. It was well worth the money. Mark you calendar for July 11. We are going to have a 5 stand / Skeet Shoot!! Kyler Hamann is going to bring out some of his sporting clays machines and put together a 5 Stand. We will also be shooting skeet on field 2. Check the web site for the flyer.
