JUNIOR RIFLE SIGN-UPS

Attendance will be required at the introductory meeting for participation at future programs throughout the year. Anyone who does not attend the Introductory Program on July 31st will not be allowed to participate until the next Introductory Program once per year after that. Because the program follows sequential instruction, advancements and achievements, shooter's skills and experience will develop from month to month, therefore participants will not be permitted to just "show up and shoot" on an occasional basis. Participants with excessive absences will be dropped from the roster and required to re-enter the program at the next Introductory Program. Participants with a commitment to the program will be rewarded with awards and recognition at each level of advancement through the structured NRA program. At the end of each year dedicated participants will be invited to compete on our Club's Junior Rifle Team. Our team will compete against other Junior Clubs in the NRA Smallbore Postal Matches. There will be an annual sign up fee of \$10 per participant to help cover basic supplies and a monthly match fee of \$1.00 to help cover basic ammunition costs. The Club will be sponsoring the remaining costs in support of the Junior Rifle Program. It will be an exciting year and we hope all interested youth will attend. If you have any questions contact Instructor Bryce Dilger at (805) 238-9881 or email bryce@santaluciasportsmen.org

ARCHERY RANGE

The Archery Range is now open. It is located at the north end of the Trap Ranges. We have targets at 10, 20, 30, 40, 50 and 60 yards. The Range is open every day with the exception of Wednesday and Sunday. On those days Archery shooters are not allowed to shoot past the 30-yard target.

We would like to give a special thanks to John Padgett, Butch Phillips, Al Hebrard and Mike Hardy who took the time and did all the hard work to set the range up.

Marty Childers recently competed at the California State Bench Rest Championships. He placed 4th in the '3-Gun' and '4-Gun' Events. Congratulations Marty!

RANGE USE

Several issues of commercial use of the Range have been brought to the attention of the Santa Lucia Sportsmen's Association Board of Directors.

Until these issues are resolved, any commercial non-contracted use of the range is suspended pending further notice.
